1. Should the FTAIA be amended to clarify the circumstances in which the Sherman Act and FTC Act apply to extraterritorial anticompetitive conduct?
2. Are there technical or procedural steps the United States could take to facilitate further coordination with foreign antitrust enforcement authorities?
 - a. Are there technical amendments to the International Antitrust Enforcement Assistance Act of 1994 ("IAEAA") that could enhance coordination between the United States and foreign antitrust enforcement authorities?
 - b. Are there technical changes to the budget authority granted U.S. antitrust agencies that could further facilitate the provision of international antitrust technical assistance to foreign antitrust authorities?
