Dear Ms. Garza and Mr. Yarowsky,

I am writing to you today in response to the Federal Register notice of May 19,2005 regarding the Export Trading Company Act (ETCA), 15U.S.C. 4001-21

On behalf of Far West Rice Inc., I would like to voice my support for the retention of the ETCA, which is a powerful tool in promoting the export of American products. In a time when export activity is so crucial to the growth and health of the American economy, I believe that it does not serve the interest of the American people to repeal this act.

Thank you for your attention.

Sincerely,  
Greg Johnson  
Exec. Vice President
