

What's Important To You?

Thank you for taking the time to answer a few important questions about health care in America today. Your answers will help us create a health care system that works for all Americans. Also, take a look at some of our [REPORTS & BACKGROUND INFORMATION](#) before or after answering the questions to learn more about the challenging facts.

Add Your Comments

What concerns you most about health care in America today?

Our current way of paying for health care includes payments by individuals, employers, and government. Are there any changes you think should be made to this system?

What trade-offs do you think the American public is willing to make in either benefits or financing to ensure access to affordable, high quality health care?

What is your single most important recommendation to make to improve health care for all Americans?

We have a few final questions just to help us better understand who our respondents are.
