56%

## NRFU Workload

60,442 housing units

## LCO Type

Type A Office (entirely mailout/mailback, mainly urban, hardest to enumerate)

## Geographic Description

The Los Angeles West Central LCO was located at 8510 Higuera Street in Culver City, California. According to the February 2000 Tract Action Plan, there were 62 tracts in the LCO, of which 46 (74.19 percent) were HTE. According to the 1990 PDB, there were 125,789 housing units. The LCO's largest populations were Hispanics (51 percent), Asian Americans, African-Americans and whites. The office was physically located three miles outside the LCO's boundaries, sharing space with a major film studio in one of their film production buildings. General Services Administration (GSA) had been unable to secure a lease in the Los Angeles West Central region. This LCO was also known as the Culver City East LCO. The Culver City LCO (3249) was located at the same complex.
