

**TABLE OF CONTENTS**

- 1. Census 2000 and Census Monitoring Board Milestones . . . . . 1**
- 2. Recommendations . . . . . 9**
- 3. An Evaluation of the 2000 Census . . . . . 15**
  - Table 1. Comparison of Direct and Synthetic Dual Systems Estimates for 1990 in  
Manhattan and Ulster County, New York . . . . . 28
  - Table 2. Comparisons of Undercount Rates and Differences, 1990 and 2000 Census . . . 29
  - Table 3. Net Undercount Rates for Post-Strata Groups . . . . . 30
  - Table 4. Comparison of A.C.E. Synthetic Estimates of Undercount of States . . . . . 32
  - Table 5. Comparison of Non-Hispanic Black and Non-Hispanic White Rates of  
Undercount in Large and Small Metropolitan Areas. . . . . 34
  - Table 6. Comparison of Hispanic and Non-Hispanic White Rates of Undercount in  
Large and Small Metropolitan Areas . . . . . 36
  - Table 7. Rates of Net Undercount for Counties Sorted by State and Region . . . . . 38
  - Table 8. Projected and Actual Growth in Large Metropolitan Counties, 1999-2000. . . . 40
  - Table 9. Effects of Poverty and Racial Composition Estimated Rates on Undercount  
for Census Tracts — 1990 Census . . . . . 41
  - Table 10. Rates of Undercount and Other Indicators of Census Error  
by Post-Stratum Group . . . . . 42
  - Appendix A. Estimated Rates of Net Undercount and Number of Persons Missed  
by County Sorted by Selected State . . . . . 43
- 4. Demographic Analysis . . . . . 86**
  - Table 1. Demographic Analysis Estimates of Percent Net Census Undercount,  
by Race, for the United States: 1940–1990 . . . . . 105
  - Table 2. Population and Percent Net Census Undercount, by Race According to  
Alternative Measures, for the United States: 2000 . . . . . 106
  - Table 3. Components of Estimates of Undocumented Immigrant Population  
Based on Different Data Sources, for All Undocumented Immigrants and  
Those Born in Mexico: 2000. . . . . 107
  - Table 4. Alternative Estimates of Change in the Undocumented Population,  
for the United States: 1990 to 2000 (in thousands). . . . . 108
  - Table 5. Suggested Modifications to “Base” Demographic Analysis Estimate, A.C.E.,  
and Census 2000, by Sex and Race/Ethnicity (in millions). . . . . 109
  - Table 6. Amount and Percent Net Census Undercount based on “Base”  
Demographic Analysis, A.C.E., and Modified Demographic Analysis,  
by Sex and Race/Ethnicity: Census 2000 . . . . . 110
  - References . . . . . 111
- 5. Effect of Census 2000 Undercount on Federal Funding To  
States and Selected Counties, 2002-2012 . . . . . 114**
  - Appendix A. 2000 Population Counts and Estimated Undercounts of Persons  
Over and Under 18 Years of Age by State . . . . . 132
  - Appendix B. 2000 Population Undercount by Selected County . . . . . 134
  - Appendix C. Federal Program Descriptions . . . . . 138
  - Appendix D. Estimated Funding Effect by State Program . . . . . 142
  - Appendix E. Estimated Funding Effect by Selected County . . . . . 151

**CONTENTS (continued)**

<b>6. Census 2000 Partnership Program.....</b>	<b>155</b>
Overview .....	155
Best Practices in Georgia .....	156
Best Practices in California .....	159
Conclusion.....	162
<b>7. CMB-P Activities, 1998-2001 .....</b>	<b>163</b>
