1 CHAIR JAMES: Good morning. I will call our meeting to
2 order. This is the final day of our three day retreat..

3 This morning's presenters will concentrate our focus on
4 internet gambling. And today we have representatives from the
5 Interactive Gaming Council, and the National Collegiate Athletic
6 Association..

7 After a brief discussion period we will then look to
8 Commissioner Bible, as he presents his subcommittee's findings
9 thus far, and recommendations on Internet gambling. .

10 I would like to welcome our two presenters, first from
11 the Interactive Gaming Council is Vice Chairman Mr. Able Angel,
12 and from the National Collegiate Athletic Association Mr. Bill
13 Saum..

14 Welcome to both of you, and I will ask you to please go
15 ahead and get started, realizing that in a very informal setting
16 this morning, and ask that you would summarize your remarks for
17 about ten minutes, and we will have, hopefully, a very
18 interesting and lively discussion following that. .

19 So thank you. With that, Mr. Angel?.
