

1 CHAIRPERSON JAMES: Our next panel was suggested by
2 one of our commissioners, Commissioner Wilhelm. I want to thank
3 him for helping to put this together. As I call your name would
4 the members of the Neighborhood Gambling and Casinos Focused on
5 Local Clientele panel please come to the front table?

6 Joining us this morning we have the Honorable Jan
7 Jones, mayor of the City of Las Vegas. And Jan, as you come
8 forward, thank you again for yesterday.

9 (Applause)

10 CHAIRPERSON JAMES: I certainly did appreciate the
11 opportunity to see your city through your eyes and you're indeed
12 an excellent advocate on its behalf and thank you so much for
13 that time yesterday. Doctor Frank Quinn, a researcher from the
14 Carolina Psychiatric Services in Columbia, South Carolina; Mr.
15 Sean Higgins, president of the Nevada Retail Gaming Board and
16 Mr. Richard Wilson from Las Vegas.

17 I will remind our guests that since you are
18 presenting testimony before a federal commission, you are
19 presumed to be speaking under oath and as with our previous
20 panel, each of you have 12 minutes to speak. Due to our tight
21 schedule, I will ask that you please keep your eye on the timer
22 and we have moved our own version of Vanna White to right over
23 here so that I can see the time as well.

24 With that, as soon as our timer gets settled down,
25 we will begin.
