

1 CHAIRPERSON JAMES: I think it's now appropriate to  
2 thank all of our public comment speakers for the excellent job  
3 that they did, and thank you to Local 226. You did turn out  
4 indeed. Let's see all those green t-shirts. Let me see them.  
5 Thank you very much.

6 We believe on the Commission that the public comment  
7 period is one of the most important parts of our deliberations.  
8 We can look at the studies. We can look at the research. We  
9 can look at the date, but it's very important for us to have an  
10 opportunity to hear from those of you who live and work in the  
11 communities who have benefited, and some of you who have not  
12 benefited from the gambling industry here in Las Vegas.

13 Thank you for your patience today and your interest  
14 in the public policy process, and I want to see you all back  
15 tomorrow.

16 Thank you
