

1 CHAIRMAN JAMES: Let me say a few things in closing.
2 I want to thank the Mississippi Coliseum and
3 Convention Center, and particularly Mayor Holloway, and I want to
4 say I know nothing of the Redneck Riviera. What I do know is
5 that I have received, and I think all of us as commissioners
6 have, some of the most gracious and warm hospitality anywhere
7 we've ever been.

8 And again, I want to thank Commissioner Moore and his
9 wife for that wonderful dinner last night and for the hospitality
10 that we have received while here in this area.

11 I want to say to those individuals who offered
12 testimony today that we do appreciate your testimony. For those
13 individuals during the public comment period, that will become a
14 permanent part of our record and your comments are very valuable
15 and very important to us as a commission.

16 For those of you who were on the waiting list, I
17 would encourage you to please submit your testimony in writing.
18 It will be distributed to all of the commissioners, and we have a
19 very hard working commission and I assure you that they will read
20 that material and take it under consideration as we go through
21 our deliberative processes.

22 With that, again I want to thank those of you who
23 have made our visit here so pleasant and the meeting stands in
24 recess until 8:30 tomorrow morning in New Orleans.
