

1 CHAIR JAMES: With that, I would like to ask the
2 commissioners to do several things this evening.

3 One, there is a great deal of information that came to
4 you at the last minute, and so there's a great deal of reading to
5 be done tonight.

6 Two, I would ask that, as we -- and Jim, you're helping
7 to prod us in that direction, to look towards specific
8 recommendations in each area. You may remember our last time
9 together we tried to drive towards what do we want to say, what
10 is the will of this Commission.

11 And we're still looking for that information. This
12 will help drive that process so that, as we continue our
13 discussions, we can have specific recommendations.

14 Tomorrow morning I would ask that you do a couple of
15 things. One, bring your calendars and be prepared to talk about,
16 maybe not first thing in the morning, but by the end of the day
17 tomorrow, some discussion of where we will go from here in terms
18 of getting together to bring some consensus either by phone or by
19 -- or face to face.

20 And my preference would be face to face. We'll have to
21 look at calendars and see what the likelihood of that is. And be
22 prepared to -- and I wish we had the language in front of us. If
23 we can get it from Dick tonight, we will slide it -- yes.

24 He did. I was about to say if we could get some
25 language from him, we would review that overnight. He does have
26 -- that's what I was referring to, that particular language. We
27 will get that typed up and distributed.

28 We can distribute this now and distribute that language
29 -- if necessary, leave it for you at the front desk and they'll
30 notify you that you have a message.

1 Any other issues for right this minute? With that, we
2 will stand in recess until what time tomorrow morning? Is it
3 8:00 or 8:30? 89:30 tomorrow morning.
