THE PRESIDENT'S ADVISORY PANEL
ON FEDERAL TAX REFORM
1440 NEW YORK AVE NW STE 2100
WASHINGTON DC 20220

Dear Panel Members:

I understand that Pres. Bush has asked you to advise on options to reform the tax code so as to make it fairer and more pro-growth to benefit all Americans. Those of us with families who are not conventionally heterosexual would appreciate reforms in the direction of less exclusiveness and accordingly more opportunity to participate in the country's growth. We would like a tax code that is thereby silent on matters better left to individual citizens.

Yours truly,

Douglas Van Fleet
