

PRESIDENT'S ADVISORY  
PANEL  
ON FEDERAL TAX REFORM

Hello.

The tax situation is not fair to those of us who are gay-  
homosexual. We can't claim  
children as dependents if we are a  
same-sex couple. This is just one  
instance. Or have them on our  
medical insurance program.

Please work to see that all  
people are treated equally and  
not just certain classes. Thank  
you.
