Dear Panel,

This is the last 4 pages of Chuck Conces report on income tax liability. Too....bad you couldn't read all of the material sent by our Lawmen Group that was sent to you in early February. Please read the law and consider it during your deliberations. That is the least you can do for your country.

Below is a list of documents we sent to you 2/8/05 in hope that you would consider these matters before making your advisements to the president.

**RE: Tax Hearings and January 28, 2005 Court Filing, Class Action, Charles F. Conces et al. vs. INTERNAL REVENUE SERVICE, Case number 5: 04CV0101, U.S. District Court of Western Michigan against Internal Revenue Service and 21 page Liability Report.**

Sincerely,

Rex & Mary Roark
