PRESIDENT'S ADVISORY  
PANEL  
ON FEDERAL TAX REFORM

2005 APR 21 A 10:43

The President's Advisory Panel on Tax Reform  
1440 New York Avenue NW  
Suite 2100  
Washington, D.C.  
20220

Dear Panel,

I am in agreement with Alan Greenspan that we **MUST** eliminate the IRS. It is choking our economy.

Since only the end consumer pays taxes, please replace the IRS with the Fair Tax, which is a consumption tax.

This will give much needed relief to low income families by eliminating all the hidden taxes which they now pay. It would also spur our economy by reducing the cost of doing business. It would also make our products much more attractive overseas.

The reasons for replacing the IRS with the Fair Tax are too numerous to list here. Please review House Bill 25 and Senate Bill 25 for more information.

Please **ACT NOW** to enact the Fair Tax!

Sincerely,

Nancy Welz Aldrich
