PRESIDENT'S ADVISORY  
PANEL  
ON FEDERAL TAX REFORM  
2005 APR 29 P 2:48

YES - I am in favor of the Fair Tax Reform. All details of this new tax program is positive. People will be saving more money, the "rich" will pay their fair share, America's poor or disadvantaged will not have to pay taxes.

I am very excited about the fair tax law becoming a reality for America. Please let this effort be organized and get the momentum to pass law on this tax reform. Most Americans will be for this.

Who would be against it? I suppose people who operate to maintain control and power or other self interests. Efforts will need to be made to counter those opposed.

What is next? What do you want us to do on this!!! Let's do it.

Thank you.
