CHAIRPERSON JAMES: Do we have a campaign finance language proposal? Has it been distributed? If you would distribute that.

COMMISSIONER LEONE: A dash after entities and before that. Instead of commas, after entities, dash, corporate, private or tribal, dash.

COMMISSIONER BIBLE: So in California, as Commissioner McCarthy pointed out, the tribe, because they’ve not applied for and granted approval to be operating gambling casinos, they could --

COMMISSIONER LEONE: That’s true. I think --

COMMISSIONER WILHELM: I don’t mean to interrupt, Richard. I would respectfully disagree with that. Every tribe in California has asked for a compact.

COMMISSIONER BIBLE: And they’re in negotiation now with --

COMMISSIONER LEONE: I’ve just learned to assume that Bill Bible was right.

COMMISSIONER WILHELM: He usually is.

CHAIRPERSON JAMES: Is someone prepared to offer this as a motion?

COMMISSIONER McCARTHY: I’ll offer it.

CHAIRPERSON JAMES: Is there a second?

COMMISSIONER BIBLE: Second.

CHAIRPERSON JAMES: It has been moved and seconded. Discussion? The question has been called. All in favor? Opposed? Abstentions? I think the ayes have it, but maybe just to be safe -- did we get three nos? They ayes have it. Let’s have a vote. Commissioner Bible?
COMMISSIONER BIBLE: No.

CHAIRPERSON JAMES: Commissioner Dobson?

COMMISSIONER DOBSON: Aye.

CHAIRPERSON JAMES: Commissioner Lanni?

COMMISSIONER LANNI: Aye.

CHAIRPERSON JAMES: Commissioner Leone?

COMMISSIONER LEONE: Aye.

CHAIRPERSON JAMES: Commissioner Loescher?

COMMISSIONER LOESCHER: No.

CHAIRPERSON JAMES: Commissioner McCarthy?

COMMISSIONER McCARTHY: Aye.

CHAIRPERSON JAMES: Commissioner Moore?

COMMISSIONER MOORE: Aye.

CHAIRPERSON JAMES: Commissioner Wilhelm?

COMMISSIONER WILHELMM: No.

CHAIRPERSON JAMES: Commissioner James, Aye. There are no abstentions, so that’s six to four.

COMMISSIONER MOORE: If it’s six to four . . .

CHAIRPERSON JAMES: We have -- now those are new recommendations, are they not, Jim? Are we finished with all of the olds that people were working on? Director Kelly?

DR. KELLY: Madam Chair, we also have these two. What about future research?

CHAIRPERSON JAMES: This is my question. My question is there are new recommendations that commissioners have brought forward. I’m prepared to move to that now if there is no further discussion on any tabled matters or 00

DR. KELLY: Future research.

CHAIRPERSON JAMES: I have been asked to delay that one
because they’re still working on it until later today. Is that the case?

COMMISSIONER McCARTHY: Madam Chair, we have a unanimous recommendation from the research subcommittee, but it is not printed up yet for members of the commission to view. So for that reason we have a delay and we appreciate it.

CHAIRPERSON JAMES: That would be fine.

CHAIRPERSON JAMES: With that then we will move to -- does everybody have a copy of the language that was passed on campaign finance? People seem to be needing that. Can I ask staff to get additional copies for distribution to the public? We’ll get -- thank you. With that then we will move to new recommendations. Commissioner Dobson, we’ll start with you.

COMMISSIONER DOBSON: I have two items that were expressed in a letter to Dr. Kelly on May the 21st. I think you have a copy of it in front of you. I am suggesting that we consider these two items that were before us in a recent meeting but were not voted on. I am asking the Commission to consider it again. Neither of them, I don’t think, is controversial, although you never know with this Commission.

COMMISSIONER LANNI: Point of information.

COMMISSIONER DOBSON: Pardon?

COMMISSIONER LANNI: Point of information. When you say they weren’t considered, does that mean that you proposed them and they didn’t receive a second?
