CHAIRPERSON JAMES: My recommendation is going to be that we do this. It would be great to see what the chapter looks like with this done. Does that make sense? So, go ahead and -- would that be helpful? Would that be -- I mean, if you’re fine going with it as is -- let’s take - let’s do this. Let’s take two minutes. Everybody look through it.

Why don’t we do that?

CHAIRPERSON JAMES: For those of you in the audience, we are discussing the hotel employees restaurant, employees international union piece. It looks like this. Look for a union label.

With that, I’d like to call us back to order and ask you to consider Commissioner Wilhelm’s suggestions here. It is not a motion.

COMMISSIONER WILHELM: I don’t want to make a motion if people feel they need more time on this. If people are comfortable feeling that, I’ll make it.

CHAIRPERSON JAMES: Is there anyone that feels like they need more time?

COMMISSIONER WILHELM: I would then move at least for purposes of discussion the changes that I proposed in the chapter called "Union regulation."

CHAIRPERSON JAMES: Is there a second?

COMMISSIONER BIBLE: I’ll second that.

CHAIRPERSON JAMES: Any further discussion? Question Commissioner Loescher. Oh, you called for the -- oh, good. I’m sorry. That was to good to be true. I thought you had a question. All in favor?

Any opposed?
