Re: Advisory Committee on Online Access and Security --
Nomination **P004807**

Ladies and Gentlemen:

I am writing in support of the nomination of Christopher Wolf to serve on the Advisory Committee on Online Access and Security -- Nomination P004807. From my vantage point as a former FTC attorney and as someone who constantly interfaces with the FTC staff, I strongly recommend Mr. Wolf who I have known for a quarter of a century!

Mr. Wolf is extremely conversant with the legal and technical aspects of online privacy issues. His experience in representing individuals and corporations in the area of online privacy well-equips him to make a meaningful contribution. In addition, his involvement in analyzing and applying the European Union Directive on Data Protection is extremely relevant background.

I know that, if chosen to serve, Mr. Wolf will devote all of his energies to the project.

Thank you for favorably considering Mr. Wolf's nomination.

Sincerely,
