1. How much do you agree or disagree with the following statement about health
    insurance coverage and public policy in the United States. By public policy,
    we mean a public goal set out in federal or state law.

**"It should be public policy (that is, a public goal set out in federal or state
law) that all Americans have affordable health care insurance or other coverage."**

```
-------------------------------------------------------------------------------
q01                                                           HI as public policy
-------------------------------------------------------------------------------
