for State Party Conventions.

From being one of those rated
it's a honor for when you cast
your vote, there is an voting
system for which is nominated for
election process.

From over the many years I
above subject: "Tax Reform"
I just from feedback from

lots of some's - "General Paffie".

I let you the words
you hear, so often, I also the
person feedback you get from
above those is it would be
fairness for everyone.

As now, everyone of in different
levels of income.

Secondly, our "great nation - USA"
are the made up of "mom & pop"
small businesses. Reinstating the
stop Exempt Taxes on small businesses
thing, enabling them to hire more people.
Hopefully people: of a minimum Federal

Above are just, couple of one
or more recommendations.

Upon exiting, also, as many of
all the "Professional level" on the
